

Worship Notes and Content

Middle School Youth (7th and 8th graders) taking part of Grace Lutheran's Faith Formation Education program will need to submit 10 worship notes per school year—20 total by end of their second year.

Use the link below to fill in each of your worship notes after or during each worship service that is attended. (Hint: bookmark this link or save this document to your device for future reference.)

Since worship notes will be online going forward, here is a brief outline of what feedback will be needed each time, so you can prepare yourself to listen for the items below and take notes, if needed, during worship service.

Also, please remember to pre-register for each worship service through the church office so attendance can be taken for online services and is limited for in-person services. A phone call to the office or an email to glc@machlink.com is sufficient.

- Your full name & consistently used email address
- In person or Zoom & date of service
- Abundant Life or Amazing Grace Service
- What were the Bible readings in worship today?
- What part of worship meant the most for you today and why?
- What did you hear in the sermon that reminded you of our brokenness?
- What message of promise or good news did you hear in the sermon?
- How did the message apply to your own life?

Youth are encouraged to discuss the above questions with their faith partner or parents/guardians as they fill in their answers. Feedback of each form will go directly to Pastor Dan and will only be viewed by him.

Additional details of the Faith Formation program are outlined in a separate document that will be distributed to families each year. If you need help accessing the link above, please contact the church office or Pastor Dan.
